

# Vandercook Lake Public Schools

## Michigan Great Start Readiness Program

### Readiness Admission:

Vandercook Lake School District Readiness Program will provide a comprehensive four-year-old program to qualifying students in the district. Students will be admitted based on qualifications, which include but are not limited to district residence, for the program and space availability in which students in our district receive 1<sup>st</sup> priority. Parents will be notified following the registration period regarding their child's enrollment status.

Our program is allotted a set amount of State funded slots. If your child does not qualify for one of these spots the tuition is \$1200.00 for the whole school year payable at least \$134.00 each month at the start of the month, Sept-May.

The Great Start Readiness Program is open Monday – Thursday from:

8:00 – 10:45 A.M.

12:00 – 2:45 P.M.

---
